From the Principal

“Do your best and God will bless your effort”
(St Mary of the Cross MacKillop)

How Will You Re-Creat Your World?

Dear Parents, Guardians and Friends,

At our recent Staff Meeting we all reflected again on what it means for us to be a Catholic School and what it means to be a member of staff in a Catholic school. One of our reflection pieces was the following:

“Catholic Education is about the education and formation of all children in Christ. This means that our school teaches Gospel values as integral to the learning process and is a community of faith in which the lessons of being a good person and citizen are also learned. In other words, our students are both formed in their faith and educated to become citizens of the world who can transform it into a more just and loving society.”

Recent Bereavements

Sadly we mourned the passing of Jacqui Jenkins (mother of Aaron, Year 12) and Kevin Hogan (wife of Helen) over the holidays. As always when we lose members of our College Community we pray that they will rest in eternal peace. We wish the Jenkins and Hogan families many blessings as they grieve the loss of their loved ones.

Parent Survey

Over the holidays you will have received a Parent Survey which came with the Semester Report and other documents. I explained that it is very important for us to receive parent feedback as we undertake the School Improvement Review in early September. Your views will assist us in our future planning. At the moment we have 102 surveys returned. Please consider completing the survey either online or by hard copy before Friday August 3rd as this is the closing date. Hard copies can be returned to the Front Office or Pastoral Care Centre.

Enrolments – Year 7 (2013)

A few vacancies still remain for our Year Seven class of 2013. The closure date was June 30th but we have extended the opportunity until the 17th of August for those who have missed the earlier date. Please be aware that if you do not enrol your child quickly he/she may go on a waiting list. Enrolment forms are available from the Front Office or can be posted out to you.

Transition Day – July 31st

Next Tuesday we welcome all Year 6 students from all the schools in the area to our second transition day. Parents are also welcome to be part of this day.

Future events

July

Mon 30th Year 8 Netball & Senior Girls Basketball

Tue 31st Transition Day 2

August

Wed 1st Tertiary Information Session

Thur 2nd Australian Mathematics Competition

Fri 3rd Xavier Mass

Wed 8th St Mary MacKillop College Feast Day Mass

Fri 10th Year 9-12 Formal

Mary MacKillop, pray for us!

53 McCrae Street, Swan Hill Victoria 3585 | T: (03) 5032 9771 | F: (03) 5032 1885 | W: www.mackillopsh.vic.edu.au
Visit of Ballarat Diocesan Schools Advisory Council (BDSAC)
Last week we received the members of the BDSAC who visited both St Mary’s and St Mary MacKillop College to extend good wishes to both schools and to thank the Advisory Councils of each of the schools. The visitors included Audrey Brown who is the new Director of Catholic Education in the Ballarat Diocese. Audrey and the Council members were impressed with the state of the College and the level of interest and engagement shown by the students in their classes. The Council members also commented on how well they were greeted when they entered the College in the morning.

St Mary MacKillop Feast Day Mass
The whole school will be celebrating with a Mass at St Mary’s Church at 12 noon on Wednesday 8th August, all parents, family and friends are most welcome to come along.

Robert Aron
Principal

DEPUTY PRINCIPAL
We have had a smooth start to Semester Two, with student attendance strong and students are generally continuing to wear the uniform in the correct manner. We are conscious that some girls need to address the issue of the length of the school skirt. The skirt should be long enough that we cannot see the leg above the knee. Please address this issue at home. We have also noticed students wearing incorrect jewellery. The college diary states:
- A watch and a single pair of suitable sleepers or studs worn in the ears are the only jewellery permitted to be worn.
- Eyebrow, nose, lip or other mouth/chin jewellery is not acceptable and students will be asked to remove these items during school time.
- Any form of tongue piercing is not acceptable and students and their parents will be instructed to have it removed during school time.
- A religious pendant necklace is permitted.
- No visible body piercings or tattoos are permitted.

We appreciate all parental support in our endeavours to improve our uniform standards.

We have a number of visiting educational consultants at the college over the next weeks. We will welcome:
Mrs Anne Doody (Secondary Curriculum Consultant, CEO Ballarat); she will be continuing her mentoring role with our first year teachers and staff new to our school this year;
Mr Paul Colquoun (VOTES) will be assisting a number of our VET teachers with the enormous job of completing all of the paperwork and evidence collecting that is required by the RTO; and,
Mrs Kath Engebretson, author, who will be speaking with Mrs Catherine Howison and Mrs Mary Hoare in regard to the fantastic RE program that we run here at St Mary MacKillop College.

Many things go on behind the scenes in schools and we often forget to communicate to our community the wonderful, committed and professional work that our staff attends to on a daily basis.

I look forward to another semester of endeavour, persistence and an improved mindset of our students to strive for excellence in all that they do.

Michelle Haeusler
Deputy Principal
STUDY SKILLS TIP FOR JULY: iDisorder

Dr. Larry Rosen, professor of psychology at California State University presented at the Young Minds Conference in Sydney last month, and this month and next month’s newsletter items will be discussing some of the ideas he presented.

His new book ‘iDisorder: Understanding Our Obsession with Technology and Overcoming Its Hold on Us’ discusses changes that occur to the brain’s ability to process information and the ability to relate to the world due to daily consumption of media and use of technology. This obsession with technology can result in signs and symptoms of psychological disorders (which Dr. Rosen has labeled iDisorders) such as stress, sleeplessness, narcissism and a compulsive need to check-in with our technology. However Dr. Rosen is not anti-technology, far from it. Instead he argues that we need to become more aware of issues that can arise from over use of technology and implement strategies to deal with these. Self-awareness and a move towards restorative balance are essential.

Some of the ideas Dr. Rosen discusses are:

- Ensure your child gets a full night’s sleep and that mobile phones are switched off during the night. If a student wakes in the night and checks their phone, however briefly, this will interrupt the sleep patterns for that night and disrupt essential memory processing.
- Convene regular family dinners (3-4 times a week for 30-40 minutes) where technology is forbidden at the table – parents included! Dr. Rosen points to the fact that many parents are also obsessed with technology and are modeling these behaviours to their children, for example not paying full attention when their child is talking to them, instead answering email on their smart phone at the same time. Rosen believes we are massive self-interrupters and we are training our children that if something buzzes, beeps or vibrates, we should jump and immediately check to see if there is something we should attend to right now.
- Given the pervasiveness of technology in our lives as well as the fact that technology evokes high levels of mental activity, we need to start taking technology ‘time-outs’ to reset our brains and refresh our capacity to process information. It is important to recognise that the constant lure of multiple technologies and our obsession with them is overloading our brain. If we want to avoid iDisorder and ensure our use of technology does not make us exhibit signs and symptoms of psychological disorders, then we need to reset our brain on a regular basis. You may decide to take a 10 minute break from technology every 2 hours or you may even decide to allocate at least one day a week where you focus your attention 100% on real life and shut off your technology for a significant portion of that day. During this time you could laugh or talk with friends or family, experience nature or do something active. The aim is to give the brain a chance to slow down and rest by doing something that does not involve electronic devices.

We live in a connected world and we can’t turn the clock back and take away all these fun new technological tools. So the message is, we need to learn to take care of our brains to avoid a potential iDisorder.

CURRICULUM
2013 Subject Selections
The subject selection process for 2013 is now well underway with all students currently in Years 8 – 11 required to submit their completed subject selection forms by Friday 27th July. Thank you to the parents, guardians and students who took the time to carefully consider their options and also asked for extra advice or guidance. These selections will now help formulate the subjects offered in 2013 and further subject counselling sessions will take place for students in November. Detailed information on subject selection requirements and individual subject descriptions are outlined in the 2013 Curriculum Booklet available online via our website or students can access them directly via the SIMON intranet system. Printed copies of the 2013 Curriculum Booklet are available upon request. Please do not hesitate to contact your child’s Teacher Advisor, Pathways Co-ordinators Mrs McMahon or Mrs Brenda Brady or myself if you have any further questions.

Term 3 Teacher Advisor Reporting and Parent Teacher Interviews
Please see the dates listed below for when your child should bring home their Teacher Adviser Interview and Subject Report this term. These reports aim to provide students and their parents with timely feedback and the interview gives students the opportunity to discuss their progress and set appropriate goals. This is the last Teacher Advisor Report for Year 12 students before they receive their more formal Year 12 Progress Report in Term 4 in time for tertiary or job applications and final exam preparations.

For those parents or guardians that feel further face to face discussion is required, Parent Teacher Interviews will be available for any Yr 7 – 12 students on Wednesday 22nd August 2012. Booking will be available online or via the Office reception – details of booking processes and codes will be published in the next newsletter.

I wish to remind parents/guardians to take the opportunity to read over the Teacher Advisor reports together with your son/daughter and sign the duplicate return copy of the interview report. Your child needs to give this signed copy to their Homeroom Teacher. Teacher Advisors really appreciate any comments you may have on the interview, your child’s progress and any requests for further discussion or assistance.

Please do not hesitate to request an interview (via phone or face to face) with a subject teacher or your child’s Teacher Advisor if you have any concerns.

Teacher Advisor Interviews & Reports – Term 3
Year 11 & 12 – (30th July – 3rd August)
Year 10 – (13th – 17th August)
Year 9 –(27th August – 31st August)
Year 8 –(3rd - 7th September)
Year 7 – (10th – 14th September)

After all Term 3 Teacher Advisor Interviews have been completed, all reports will also be available online via the Parent Access Module (PAM).

Ongoing Curriculum Development
Teaching staff are working very hard this term reviewing curriculum and transferring their documentation onto our intranet system. I ask that you appreciate this is a major task and at this stage not all course material and information will be available online.

CAREERS NEWS

Schools Access La Trobe (SALT)
SALT is an early offer scheme that enables students from selected schools to apply for entry into a degree program at La Trobe University based on a written application. SALT covers many La Trobe courses - in Arts and Humanities, Business, Education, IT and Engineering, Health Sciences, Psychology, Science, and Hospitality and Tourism. All Year 12 students at St Mary Mackillop are eligible to apply.

Information brochures containing information on eligibility, application procedure, selection criteria and deadlines are available from the Careers Office. Application forms can be downloaded at www.latrobe.edu.au/salt

Tertiary Information Session
All Year 12 students will be attending the Loddon Campaspe Tertiary Information Session at The Grain Shed on Wednesday, August 1st. This will involve a panel of tertiary representatives and current students addressing issues relating to tertiary study. Students will also be able to collect information and speak with representatives from all Victorian Universities, some interstate Universities and TAFEs. Centrelink, Chances for Children and Local Scholarship information packs will also be available.

A similar session will be held at The Grain Shed for parents of Year 11 and 12 students on the evening of Tuesday, July 31st, from 6.30pm until 7.30pm.

For further details contact Coralie Thomson at Murray Mallee LLEN on 5033 2017.

Open Days
Most tertiary institutions are holding their Open Days on weekends during August. Any students in Year 10-12 who are considering further study are strongly encouraged to attend Open Days. You will find out first hand about courses, campus activities, scholarships, accommodation and entry requirements, as well as being able to talk with current students and lecturers.

Please note the following dates:

- Australian Catholic University - Melbourne: 12th, Ballarat: 26th
- University of Warrnambool: 19th, Geelong: 19th, Burwood (Melbourne): 26th
- LaTrobe University - Albury-Wodonga: 5th, Mildura: 17th, Bendigo: 19th, Melbourne 26th
- Melbourne University - Parkville Campus: 19th, Dookie Agricultural College: 19th
- Monash University - Berwick: 4th, Caulfield, Clayton & Parkville: 5th
- Swinburne University - Hawthorn: 19th
- RMIT - City, Brunswick and Bundoora: 12th
- University of Ballarat - Ballarat: 26th

Further listings of private Institutions and TAFE’s please go to www.vtac.edu.au/opendays

Grow your Career Expo - SuniTAFE
Last Wednesday all Year 10 students attended the Grow Your Career Expo at Sunraysia TAFE, Swan Hill. The Expo gave the students the opportunity to learn about the tertiary options that are available locally. Each student participated in a selection of workshops which included Health, Chiropractic, Electrical, Automotive, Engineering, Building and Children’s Services. There was also an exhibitors’ marquee which included representatives from the Defence Force, Police, local apprenticeship and training companies, and Deakin and Ballarat Universities.
Gardiner Tertiary Scholarships 2013

The Gardiner Foundation are offering two tertiary scholarships in 2013 to first year University or TAFE students from Victorian dairy communities.

The Gardiner Foundation’s Tertiary Scholarships 2013 will support rural students who have strong potential to make an impact for the dairy industry and its communities. Successful scholars will receive $5,000 per year of study in their approved course, subject to the Gardiner Foundation’s terms and conditions.

Please visit www.gardinerfoundation.com.au/programs/scholarship.htm to read the guidelines and access the online application form. Applications close at 5pm on Friday 7th September, 2012.

The McPherson Smith Rural Foundation (MSRF) Scholarships

The McPherson Smith Rural Foundation (MSRF) is a charitable institution dedicated to the needs of rural and regional Victorian communities. One of MSRF's key activities is the Foundation Scholarship program. This program offers scholarships to Year 12 students from rural/regional Victoria to enable them to participate in tertiary study after they complete Year 12.

The scholarships provide financial support of $15,000 per annum for three years, and also participation in mentoring and leadership development programs. Applications for 2012 scholarships close at midnight on 30th July 2012.

Full details of all MSRF's programs are available from: http://msrf.org.au/scholarship-and-programs

Defence Technical Scholarship (DTA)

We have just been advised that Harren Chapman is a lucky recipient of a $2,000.00 DTS Scholarship. The scholarship has been designed as an incentive for students to stay at school and finish their education whilst undertaking English and Mathematics, as well as a trade or technical related subject. Harren made application for this scholarship earlier this year and was required to demonstrate his knowledge of technical trades within the Australian Defence Force, and describe what he would do as a tradesman in a real life crisis.

Congratulations Harren.
Jakeb Maher - Country Victorian U/16 Football Team.

After a gruelling and extensive selection process beginning back in December, Jakeb was selected in the U/16 Country Victorian Squad. Jake travelled to Sydney over the holidays and after an initial 3 day training camp at the Australian Institute of Sport in Canberra, competed in 3 matches over 7 days against Vic Metro, South Australia and Western Australia.

Closely watches by talent scouts from all AFL clubs, Jakeb was a prominent player for the Country Vic team, regularly playing on ball and off a back flank. Jakeb identified a few future stars, including Hugh Goddard (cousin of Brendan), Darcy Moore (son of Peter), Angus Brayshaw (son of James), as well as a host of very talented and extremely fast aboriginal players from Western Australia.

The team performed very well, winning one game against South Australia by 9 goals, losing by 15 points against WA and a mere 1 point against Vic Metro. Jakeb found the overall experience fantastic and identified that he has learnt a considerable amount about playing AFL football. Jakeb hopes to try out for the Bendigo Pioneers U/18s next year as a bottom aged player and has ambitions to one day take the step into AFL ranks.

Congratulations must go to Jakeb on his terrific achievement.

Aleesha Flanagan
Aleesha travelled to Canada over the holidays and competed in athletics. Aleesha competed at 2 meets, achieving a gold medal and silver medal in the high jump, a silver medal in long jump and a bronze medal in triple jump. Congratulations.

Katelyn Gilbert
Good luck to Katelyn who departs on Friday 26th July for Sydney to swim at the National Swimming Championships. Katelyn is competing in 10 events and is hoping to eventually trial for the Olympic team for the next games in Rio De Janeiro, Brazil.

Xavia Elford
Good luck to Xavia who competes this week at the National U/15 Football Championships as a representative of the Country Victorian side.
Kyra Bennett
On Tuesday 17th July Kyra competed at the State Cross Country Championships, after being the only representative of our college to qualify, following her excellent performance at St Arnard late in Term 2. Despite having been away on holidays and having no way to train, Kyra still put in a gallant effort and finished 70th out of a field of 90 in the 16 year old girl’s division. Well done Kyra.

EDUCATION MAINTENANCE ALLOWANCE – 2012

Second Instalment
Parents with continuing eligibility, who were paid for the first instalment of 2012 will not be required to complete a fresh application for the second instalment.

Eligibility Criteria – Second Instalment 2012

To be eligible for receipt of the EMA, the claimant must:
- Be a parent or guardian of a primary or secondary school student up to the age of sixteen, and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concession Act 2004 or be a Veterans Affairs (TPI) pensioner or a foster parent
- To be eligible you must have a current health care card on the first day of Term 3 – 16th July, 2012
- Submit your application to the school by the due date 10th August, 2012

Parents must complete an application form which is available at the Office.

DANTE ALIGHIERI POETRY COMPETITION RESULTS

I am pleased to announce that the results of the Dante Alighieri Poetry competition have just been forwarded to us. I have included a list below of all students who received a High Distinction or Honourable Certificate.

Congratulations to all students who participated, especially the finalists who have to return to Melbourne to recite their poems on Saturday, 28th July at Melbourne University.

Finalists
Lisa Bartalotta (Italian Section- Year 9)
Lauren Barone (Year 9)
Jessica Brumby (Year 9)
Isabelle Challis (Year 9)
Nikita Hanns (Year 9)
Millie Holland (Year 9)
Lauren Paynter (Year 9)
Lena Sharp (Year 9)
Jessica Formosa (Year 11)

High Distinction
Year 9: Lea Boschen, Kayla Davies, Victoria Di Palma, Laura Gilbee, Jaimee Kiel, Ruby Lay & Sarah Rogers.
Year 10: Melissa Basile & Isabella Salvo (Italian Section)
Year 11: Alice Gilbee
Year 12: Erin Connellan
Honourable Mentions
Ryley Johnston (Year 9)
Shannon Robinson-Hore (Year 9)
Alice Capstick (Year 11)
Charlotte Slater (Year 11)

Merit Awards
Emma Haley (Year 10)
Tamekah Chapman (Year 11)

YEAR 11 MELBOURNE CAMP
On the last week of term the Year 11s went to Melbourne for camp. The whole camp lasted for 4 days and we were able to experience Melbourne in a different way. Every day after an incredibly early breakfast we broke up into small groups and had to travel to set activities by ourselves, using trams or taxis, which proved to be quite a challenge for some. The Eureka Sky deck, Jewish Holocaust Museum, Shrine of Remembrance, Mary Mackillop Centre, the MCG, Melbourne Zoo and Aquarium were among the things we did.

In between activities we had plenty of spare time for exploring and of course shopping and spending all our money! As a whole group we also were given a tour of Melbourne University, went to the IMAX theatre and saw ‘Annie’ the musical. Everyone was able to choose a movie to watch as one of the night activities and attempt to actually hit some pins in ten pin bowling. The Galactic Circus showed off some basketball talent with shooting hoops being one of the only games played.

One of the best things we did would have been the city scramble. Running all over the city proved to be a hectic and tiring exercise, with only a couple of groups actually managing to finish. Zac Caccaviello, Sam Withoos and Will Verbeek were the lucky group who won the $100 prize, which may have just covered their taxi fare. The scramble gave everyone a chance to see what they could remember about locations in the city and a life lesson: that you will never find anything if you are looking for it.

Even after getting lost many times, witnessing proposals on the eureka sky deck, spending way too much money on food and coffee and suffering extreme exhaustion, I think that we all had fun and want to thank all the teachers who helped organise the camp and who took us to Melbourne.

By Alice Gilbee and Tamra Hoare
NETBALL VICTORIA SCHOOLS CHAMPIONSHIPS
Students from St Mary MacKillop College travelled to Melbourne to compete in the Netball Victoria Schools Championships on Wednesday 18th July.

There were two junior teams, an intermediate and senior team entered, with two teams being successful on the day, making the finals later in the term. The Year 8 team will now compete their final on Thursday 13th September and the intermediate team will compete on Monday 17th September.

We wish them all the best of luck.

Teams
Year 7 - Courtney Lowry, Gemma Ramke, Alannah Simpson, Holly Rogers, Taylar Borg, Emma Boyd-Law, Jade Featherby, Breanna Kelly-Guthrie, Bridget Haley and coach Miss Chelsea Bird.  
Year 8 - Katie Foott, Georgia Ingram, Hope Shadbolt, Ebony Triplett, Aleesha Flanagan, Mikaela Burge, Alicia Harvey, Grace Wood, Milly Saville and coach Mrs Suzy Haley.  
Intermediate – Elly Bookham, Sarah Rogers, Kyra Bennett, Lauren Paynter, Jessica Brumby, Milly Op’t Hoog, Jessica Jobling, Sarah Alvino, Ashlee Polinelli and coach Mrs Jaclyn Clark.  
Senior – Bridget O’Bree, Leah McDonald, Madeline Ingram, Amber Norton, Darcy Hulland, Chelsea Casey, Hannah Brumby and coaches Mrs Laura Crow and Mrs Amanda Henson.

YEAR 11 PHYSICAL EDUCATION SKI TRIP
This week sees our Year 11 PE students heading off to Mt Buller for the annual ski trip. Classes have just begun their Unit 2 studies, which include the areas of Skill Acquisition, Stages of Learning and Effective Coaching - all things that will no doubt be evident as most students try their hand at down-hill skiing for the first time!

The Ski Trip is always a wonderful learning experience for the PE students, with students involved in skiing lessons each day, before attempting to explore the mountain and put their skills to the test. Whilst there has not been an abundance of snow as yet, we pray for a downpour soon and wish our skiers all the best for an enjoyable trip and a safe return.

**SPC Ardoma Factory Sales**

**Customer Order Form**

At the end of 2012 a group of Year 12 students will be travelling to Thailand on a community service project, as an alternative to traditional schoolie activities. Please support our fundraising activities as we strive to raise money for the building project, at a mission for stateless children in Thailand.

Order forms and payment must be returned by Friday 31st August.

Goods will be available for collection on Friday 24th August, from 1 Nyah Road (previously Swan Hill Removals & Storage) between 1 – 6pm.
